## Why will HMRC look at me? They are looking at you now!

Any taxpayer can be selected for investigation. HMRC are proactively targeting tax payers using sophisticated software that searches big data looking for discrepancies. Anything that does not cross match could be selected, regardless of the reasoning. You can even be selected at random. HMRC do get it wrong, many enquiries result in thousands of pounds in fees but result in no additional tax liability.

***Remember HMRC are chasing an estimated unpaid tax gap of over £30 billion and tax investigations are a key tool for them.***

### WHAT DOES AN ENQUIRY INVOLVE?

HMRC usually start with a letter asking questions or announcing a visit but they also have the power to inspect business documents, assets and your premises. On site visits are common, sometimes even unannounced.

### IMPACT ON YOU

Tax investigations are timely, stressful and costly. Not to mention a distraction from your usual day to day focus.

**They can last for several months...**

### WHAT DOES THE TAX FEE PROTECTION SERVICE DO?

The most important thing to do when HMRC come knocking is simple, get immediate professional advice and representation from your accountant. This immediate intervention can lead to early resolution and mitigate any additional tax due, dealing with HMRC without this expertise can make matters worse.

Unfortunately such representation does incur fees but with the tax fee protection service you and/or your business are safeguarded against these fees.
